Revision: October 13th, 2022
Associated Policy: SP003.1: Student Code of Non-Academic Conduct Procedures

1. Overview

1.1. FIC’s Student Code of Non-Academic Conduct (“Code”) outlines standards of acceptable behaviour required by all FIC students.

1.2. These standards contribute to a positive learning environment and help ensure the safety and well-being of all members of the FIC community, while also acknowledging differences in culture and in physical and mental well-being.

1.3. Within the college environment, staff and students have both expectations and responsibilities. These expectations and responsibilities are intended to assist students in their personal and academic development, enable a culture of integrity and good conduct, protect the well-being of community members and safeguard personal and community property.

1.4. This policy outlines, in a non-exhaustive manner, the types of activities and behaviours that constitute non-academic Student misconduct and related disciplinary measures.

1.5. This policy and related documentation are to be accessible through the FIC policy library.

1.6. This policy and related procedures will be communicated to staff via email and ongoing staff information sessions.

2. Scope and Jurisdiction

2.1.2. students on a leave of absence; or

2.1.3. alumni when the misconduct occurred prior to transfer to the University.

2.2. This Policy applies to those defined in Section 2.1, who have engaged in Misconduct that is alleged to have occurred:

2.2.1. at an event or during an activity sponsored or sanctioned by the College or University;

2.2.2. using the College or University’s Information and Communications Technology resources or on social media spaces moderated by the College or University;

2.2.3. on any property that is controlled by the University; or

2.2.4. off campus, or through electronic media, when the student has declared publicly, they represent the College or University and the conduct has adversely affected the community.

2.3. A report of non-academic misconduct that occurs in SFU Residence and Housing is subject to Residence Community Standards and will be dealt with under the Residence conduct system, however further sanctions may be assigned under this code of conduct.
2.4. Nothing in this Policy shall be interpreted to prohibit peaceful assemblies or demonstrations, lawful labour action including picketing, or to impinge upon freedom of expression.

3. Procedures

3.1. The role of the Student Success Team (SST) includes but is not limited to:

3.1.1. receiving Complaints of alleged Student Misconduct

3.1.2. advising the Student Success Manager regarding interim measures;

3.1.3. undertaking a Preliminary Review and, when appropriate, resolving Complaints informally by means of a Resolution Agreement;

3.1.4. investigating to provide a report outlining findings of fact for the Student Success Manager to decide if there was a breach of the Policy;

3.1.5. tracking open cases of alleged Student Misconduct; and

3.1.6. tracking cases that are resolved with conditions placed on the Respondent.

3.2. Making a Complaint of Student Misconduct to the College

3.2.1. Complaints related to safety, security, and other urgent matters should be made to Campus Public Safety, who will respond to ensure the safety and security of members of the community. Campus Public Safety will document the incident (i.e. the “Incident Report”), including their observations and any other relevant circumstances.
3.2.2. Complaints related to Student Misconduct should be made to the SST as soon as possible after the alleged Misconduct occurs and, normally, within four (4) months of the incident having occurred. In cases where no Complaint has been brought forward, the College may act as the Complainant. A member of the SST will conduct a Preliminary Review of the Complaint.

3.2.3. The SST may receive Complaints outside of the four-month limitation period but will undertake a Preliminary Review (see Section 3.3) to assess its ability to proceed, which may include considerations relating to the availability of witnesses and evidence.

3.3. Preliminary Review

3.3.1. The Student Success Team (SST), based on available information, may reject a Complaint on the grounds that:
   a) the Complaint lies outside the scope and jurisdiction of the Policy;
   b) the Complaint is false, vexatious, trivial, or repetitious;
   c) the alleged Misconduct is minor and does not require corrective action; or
   d) an investigation is unlikely to find facts that would result in disciplinary action.

3.3.2. In such circumstances, the SST will communicate its decision in writing to the Complainant with reasons for the decision.

3.3.3. The Complainant will not necessarily be identified to the Respondent during a Preliminary Review.

3.3.4. If the SST determines through a Preliminary Review that a Complaint should proceed, the SST will, whenever possible and appropriate, attempt to address the Respondent’s conduct using Informal Resolution and a Resolution Agreement.

3.4. Interim Measures

3.4.1. The Student Success Manager may impose interim measures, as outlined in Policy 5.3, while an alleged incident of Misconduct is being resolved, investigated, or decided. Such measures will be precautionary and are expressly not disciplinary. Interim measures will be reassessed on a weekly basis and the parties involved will be notified of any changes to interim measures as soon as possible.

3.5. Informal Resolution

3.5.1. If the SST believes that Student Misconduct has occurred, the SST may discuss the matter with the Respondent to determine possible steps the Respondent could take to correct or resolve the issue. The SST may refer the Respondent to College, University and/or community-based support services.

3.5.2. A Respondent may be accompanied by a support person of their choice to the Informal Resolution meeting(s).

3.5.3. If the Complaint is not resolved by Informal Resolution, the matter may proceed to Formal Investigation

3.5.4. If the Respondent agrees to the resolution proposed by the SST, the SST will prepare a written Resolution Agreement outlining action to be taken by the Respondent, which the Respondent will sign.
3.5.5. If the Respondent fails to adhere with any aspect of the Resolution Agreement, the SST will proceed to the Formal Investigation.

3.6. **Formal Investigation**

3.6.1. When a Resolution Agreement is deemed not an appropriate course of action, was breached or could not be reached, the Student Success Manager may initiate a Formal Investigation to obtain all information necessary to decide if there was a breach of the Policy.

3.6.2. The Student Success Manager will notify the Complainant and Respondent in writing that a Formal Investigation is being initiated.

3.6.3. A Complainant or Respondent may be accompanied by a support person of their choice to the Formal Investigation meeting(s).

3.6.4. If criminal, civil, or administrative proceedings are commenced regarding allegations of Misconduct, the College reserves the right to proceed with, defer, or suspend its own processes. Where practical, the College will discuss its intentions with the Complainant before making its decision.

3.6.5. The Student Success Manager will interview whomever they determine might have relevant information and who is willing to participate in the process. The Student Success Manager may request one or more interviews with the Complainant and Respondent and will also consider any evidence they decide is relevant for the Investigation Report.

3.6.6. If the Complainant or Respondent refuses to cooperate with the Formal Investigation, the Student Success Manager may proceed with the Formal Investigation and assign relevant penalties without the Complainant or Respondent.

3.6.7. Upon conclusion of the Formal Investigation, the Student Success Manager will complete the Investigator’s Report, which will include the findings of facts in the case, disputed and undisputed.

3.6.8. The Student Success Manager will decide whether, on a balance of probabilities, there was a breach of the Policy.

3.6.9. If the Student Success Manager decides there was no breach of the Policy, they will dismiss the Complaint and their decision is final.

3.6.10. If the Student Success Manager decides there was a breach of the Policy, they may impose one or more of the Disciplinary Measures set out in the Policy.

3.6.11. If the Student Success Manager wants to recommend the student be Required to Withdraw, they may make the recommendation to the Associate Director.

3.6.12. The Formal Investigation will normally be completed within four (4) weeks from initiating the Formal Investigation barring exceptional circumstances or unavoidable procedural delays.

3.6.13. In deciding upon the appropriate response to a finding of a breach of the Policy, consideration must be given to the Principles in Section 1.0 of the Policy and to the following factors:

a) the extent of the Misconduct;

b) the impact of the Misconduct on members of the community;
c) the inadvertent or the deliberate nature of the Misconduct;
d) whether it is an isolated incident or part of repeated acts of Misconduct;
e) the disciplinary measures are determined and assigned through application of a restorative lens which prioritizes learning and development; and
f) any other mitigating or aggravating circumstances.

3.6.14. The Respondent will receive the outcome in writing including:
   a) their decision, with reasons, as to whether there was a breach of the Policy;
   b) the Disciplinary Measures imposed, if any; and
   c) notice that the Respondent has the right to appeal the decision and the Disciplinary Measures, where to direct the appeal, and the time limit and process for bringing an appeal.

3.6.15. The Student Success Manager will, where appropriate, provide a copy of the decision, including any Disciplinary Measures to any relevant academic or administrative departments of the College or University.

3.6.16. Upon request, the Student Success Manager will provide the Complainant with a written decision outlining the outcome of their Complaint.

3.7. **Ground for Appeals**

3.7.1. Appeals can be submitted on one or more of the following grounds:
   a) that a procedural error occurred of sufficient magnitude that it may reasonably be said to have affected the fairness of the process or altered the outcome of the case against the Respondent;
   b) that a factual error occurred of sufficient magnitude that it may reasonably be said to have altered the outcome of the case against the Respondent;
   c) that the penalty imposed on the Respondent is excessive considering all the circumstances of the case; or
   d) that new material evidence is available which, despite the exercise of due diligence by the Respondent wishing to appeal, could not have been made available.

3.8. **Appealing a Decision**

3.8.1. Appeals to Associate Director from Student Success Manager Decisions
   a) A Respondent may appeal all or part of a decision made by the Student Success Manager to the Associate Director within ten (10) business days of the day the email containing the decision was sent. The Student is then known as the Appellant.

3.8.2. Appeals to the College Director from Associate Director Decisions
   a) A Student may appeal all or part of a decision made by the Associate Director to the College Director within ten (10) Working Days of the day the email containing the decision was sent. The Student is then known as the Appellant.
